Carlsbad, CA 92001

**Re: On-Site Sewage Disposal Permit/Incremental Development Procedures.  
APN 016-280-370**

Dear Mr. Richard Bodnar:

A septic system construction permit (PN 07-202) was issued for the above referenced parcel in accordance with the Incremental Development process which allows a property owner to install an on-site septic system prior to application for a building permit. As part of this process, the enclosed Incremental Development form must be completed and recorded with the County Recorder's Office prior to a final of your septic system by this Department.

Please mail this document along with the recording fee of ten dollars (\$10.00) to: Siskiyou County Recorder, P. O. Box 8, Yreka, CA. 96097.

Please contact me at 530-841-2118 if you should have questions regarding this procedure.

Sincerely,  
SISKIYOU COUNTY HEALTH DEPARTMENT

Daniel L. Wessell, REHS  
Environmental Health Specialist II
