GENERATION PARK

Houston's New Business Destination

WELCOME TO GENERATION PARK

Over 1/4 the size of Manhattan and located on Beltway 8 in Houston's fastest growing submarket, Lake Houston, Generation Park is a master-planned environment unlike any other with the clear and simple goal of driving business performance for our clients. We do this by creating an environment where employees can thrive, where companies can grow, and where shareholder value can be maximized. Welcome to Houston's final frontier.

We work tirelessly to address the real estate requirements of the world's leading companies and institutions, allowing them to maximize the performance of their everyday business. Generation Park is a platform for innovation and an ecosystem that feeds, serves, and supports your business by putting you at the center of hundreds of like-minded companies and organizations that will be locating in Generation Park for decades to come.

TOP 20 BEST PLACES TO LIVE IN TEXAS

With award winning schools and world class neighborhoods, Lake Houston is a people magnet. It is ranked 14th among the best places to live in Texas¹ and is the fastest growing zip code in Houston². Whether your employees are fresh out of school, starting families or well established, Generation Park and the greater Lake Houston area have housing selections to fit their lifestyles and budgets.

For those wanting to be in the action, Redemption Square offers luxury apartment living with walkable access to everything they could ever need, including a Kroger Marketplace.

Those who desire a house with a yard have a wide range of options in existing and new master-planned communities, both on and off Lake Houston, with prices from the \$200,000s to \$1 million-plus.

AWARD WINNING SCHOOLS

Desirable talent demands great education for their children. Lake Houston's Humble ISD is one of Houston's best school districts and was named as the Large District winner of the H-E-B Excellence in Education Awards program in 2015 and Outstanding Board of the Year in 2018.

Today, with 43 campuses, more than 40,000 students and 5,000-plus employees, the school district is nationally recognized for offering outstanding education to its students. Humble ISD is listed among the 25 fastest growing school districts in Texas and is currently the 31st largest district in the state.

Additionally, Lone Star College and San Jacinto College's newest and most high-tech campuses are conveniently located within Generation Park.

PROXIMITY TO EVERYTHING

A short drive from the best of greater Houston, Generation Park's location enhances the quality of life for those who live there. Whether you want short commutes to your home in a great local neighborhood, are a frequent flyer for work or leisure, love the outdoors, or enjoy the arts or sports, Generation Park is only minutes to it all.
