# THE AMERICAN RIVIERA

Symbolizing the ultimate in casual California lifestyle, Santa Barbara is undoubtedly one of America's most desirable destinations to live and travel.

Located on a pristine coastline approximately 337 miles south of San Francisco and 93 miles north of Los Angeles, Santa Barbara is nestled between the Pacific Ocean and the Santa Ynez Mountains. This stretch of coast is known as the "American Riviera" because of its mild Mediterranean climate.

With a population of approximately 87,533, Santa Barbara is both small and vibrant. Locals and visitors are drawn to the city's charming downtown and picturesque State Street with its rich Spanish architecture and historical sites, wide variety of shops and galleries, numerous Zagat-rated restaurants and thriving open-air shopping centers like the famed Paseo Nuevo Mall. Pristine, sunny beaches, an expansive harbor and countless outdoor attractions including the Santa Barbara Zoo, Santa Barbara Mission, Stearns Wharf and Santa Barbara Museum of Natural History all add to the area's appeal. And with nearly 220 vineyards within a short drive, Santa Barbara County is a renowned wine region offering an array of some of the finest labels in the world.

# THE FUNK ZONE

## Santa Barbara's Unique Arts, Business & Industrial District

Over the past few years Santa Barbara's Funk Zone has exploded into a contemporary sub-culture of artisan shops, galleries, hip eateries, award-winning microbreweries, a craft distillery, and the Urban Wine Trail with 29 wine tasting rooms all within walking distance. Perfectly situated in Santa Barbara's up-and-coming waterfront just footsteps from the beach, Stearns Wharf and the city's famed downtown, the mixed use neighborhood encompasses approximately 16 square blocks adjacent to State Street, the main commercial thoroughfare through the city, and is easily accessible off the 101 freeway and the Amtrak station.

Don't be deterred by the name; the area doesn't have a funk so much as it has a vibe. The Funk Zone delights visitors and locals with its rich tapestry of historical marine structures, industrial lots and old houses which support a colorful mixture of creative uses and give the zone its face, while its occupants that reside and work there embody its eclectic soul. With a spirit for innovation and community, the neighborhood offers the best that Santa Barbara has to offer wrapped in an eclectic, dynamic package. Artists, winemakers and chefs have taken up shop in aged warehouses and forgotten scuba shops, transforming the zone into an understated array of hidden hot spots.

Indeed the Funk Zone offers the perfect contrast to the pristine red tile roofs and charming Spanish-style architecture of Santa Barbara's historic downtown. Minus the polish and plus some grit, the Funk Zone has its own distinctive brand of charm. Filled with sightseers and locals, the Funk Zone offers the ultimate sense of discovery as it continues to evolve and get better as ever more businesses crop up in the 'hood.
