WHY SANTA TERESA

The Borderplex Region, home to a population of 2.7 million, is a powerhouse for cross-border trade and industry, spanning southern New Mexico, west Texas, and northern Mexico.

Within this bi-national, three-state region, Santa Teresa, New Mexico stands out as one of the fastest-growing industrial bases along the US-Mexico border, offering unmatched access to major transportation

corridors and logistics infrastructure. Perfectly positioned within this dynamic environment, **Avila Industrial Park** delivers 3 million square feet of Class A industrial space on 272 acres, just minutes from the Santa Teresa Port of Entry, Union Pacific Intermodal, and key highways, making it the ideal location for businesses seeking to capitalize on the region's growth and connectivity.
