

# introducing Suntrust Plaza

Where you are says so much  
about Who you are.

And it's hard to find an office location that says as much  
as this one. Maybe impossible.

We're pleased to introduce Suntrust Plaza. 234,000 square feet of quiet quality and beauty at the northwest corner of Alhambra Circle and Ponce de Leon Boulevard. Convenient to Miracle Mile shopping, fine hotels and restaurants. The Miami International Airport is only 10 minutes away. The city of Coral Gables offers lovely homes and apartments, two country clubs and three golf courses, a fine public school system and the University of Miami.
