# PROPERTY DETAILS

## THE OFFERING

Located in the heart of vibrant Westboro, 379–381 Richmond Road presents a rare opportunity to acquire a high-exposure commercial property with strong redevelopment potential in one of Ottawa’s most sought-after neighbourhoods. The site is well-positioned for a future condo or apartment development, benefiting from excellent walkability, nearby amenities, and strong residential demand. It has the further benefit of having two street fronts, Richmond Road and Madison Avenue.

The existing building offers two functional levels suitable for a variety of uses including retail, restaurant, fitness, medical, or other service-based businesses. The upper-level offices can be removed to create an open-concept layout, with additional potential to remove the dropped ceiling. The property also features approximately 20 on-site parking spaces, large storefront windows, and excellent street presence.

Surrounded by a dynamic mix of shops, restaurants, and dense residential development, this is an exceptional opportunity for investors, developers, or owner-occupiers to secure a prime asset in a thriving corridor.
